

## Annwyl Etholwr

Mae'r etholiad ar Fai'r 5ed yn gyfle i chi ddewis llywodraeth newydd i Gymru.

Mi fydd Plaid Cymru yn rhoi'r arweinyddiaeth sydd ei angen er mwyn cryfhau ein gwasanaeth iechyd, codi safonau yn ein hysgolion a chreu a rhannu cyfoeth. Mae gennym dîm o bobl egniol fydd yn meddwl o'r newydd ac yn gweithio'n galed er mwyn sicrhau llwyddiant i Gymru.

Mae Llafur wedi bod mewn llywodraeth ers 1999. Yn ystod y cyfnod hwn, mae rhestrau aros yr NHS wedi tyfu'n hirach, safonau addysg wedi gostwng a'n gweithwyr yn dal i gael eu talu'n llai na phobl ar draws y DU.

Os fydd Cymru yn parhau i bleidleisio dros Lafur fydd dim byd yn newid.

Yn yr etholiad hwn, rhowch ddwy bleidlais i Blaid Cymru er mwyn gwneud gwahaniaeth go iawn.

With their poor record on the NHS, schools and jobs in Wales, don't reward Labour with another 5 years in power. Use your two votes to get the change Wales needs. Use your two votes to elect Leanne Wood as First Minister.

### Dear Resident

The election on May 5th is your opportunity to choose a new government for Wales.

Plaid Cymru will provide the leadership needed to strengthen our NHS, raise standards in schools and to create and share wealth. We have a great team of energetic people who will bring the fresh thinking and hard work Wales needs to be a success.

Labour has been in government since 1999. In that time NHS waiting lists have grown longer, education standards have fallen and our workers are still paid less than those elsewhere in the UK.

If Wales keeps voting Labour nothing will change.

In this election, vote Plaid Cymru – The Party of Wales twice in order to make a real difference.
